REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Claims 7, 8, 11-13, 17, 19 and 20 are allowable because none of the prior art of record discloses or suggests: a housing of plural apertures filled with light emitting elements in operative relation with a power supply within the housing, the housing secured to a window by a plurality of support members including a hook coupled with a portion of the housing and the support members configured with a flange portion distal to the housing resting between a bottom of a window and a window parapet; the plurality of support members further comprising an actuator for allowing the housing to move in a telescoping manner along the longitude of the support member so as to allow the light emitting elements to be displayed a variety of different heights with respect to the window parapet; a solar power supply and a circuit means in operative relation or operably coupled with the plurality of light emitting elements and coupled within the housing allowing the light emitting elements to illuminate when it is substantially dark and to not illuminate when it is substantially light; and a sturdy translucent plastic housing having a surface of a plurality of apertures therethrough receiving and retaining a plurality of light emitting elements, the housing having a back portion with a removable cover portion that includes a power source compartment having a removable cover portion.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alan Cariaso whose telephone number is (703) 308-1952. The examiner can normally be reached on 9-5:30 M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Sandra O'Shea can be reached on (703) 305-4939. The fax phone number for the organization where this application or proceeding is assigned is (703) 872-9306.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is (703) 308-0956.
